FLORENCE KNITTING SILK.

In order that our customers may not be deceived, the style of ball in which Florence Emitting Silk is sold is shown in our engraving. Observe that the brand Florence is stamped in each spool; also the No. 300 on the coarser silk, and No. 500 on the finer.

Imitations in similar style are in the market, but under other names. Other initiations have a larger spool, to hide the above weight of silk.

The Florence is positively the only silk suitable for knitting which will bear washing without injury to color or texture.

Sold by all enterprising the color or texture.
